2. It has been decided that licences for import of coal-tar dyes and chemicals granted to Manufacturer-exporters, exporters and processors under the above paragraph will also be valid for import of Cellophane paper. The quantum of imports of Cellophane paper to be allowed may be decided by the Joint Chief Controller of Imports & Exports, Bombay in his discretion.

SUBJECT—*Licensing of Art Silk Yarn etc. under the Export Promotion Scheme.*

**No. 24-ITC(PN)/60.**—Attention is invited to para 1 of Appendix XLII to the Red Book for October 1959-March 1960 which lays down the policy for grant of licences for import of art silk yarn etc. against export of art silk fabrics/sarees under the Export Promotion Scheme.

2. It has been represented that as exports of art silk fabrics are made in moderately large quantities, small manufacturers of art silk fabrics/sarees cannot get into benefit of the Scheme unless exports of art silk fabrics (sarees) made by Associations/Societies of manufacturers, on behalf of their members are considered for grant of licences of import of art silk yarn under the Export Promotion Scheme.

3. The matter has been examined and it has now been decided that Associations/Societies of small manufacturers may be allowed to export art silk fabrics/sarees collectively on behalf of their members. The Associations/Societies will distribute the imported art silk yarn to the members according to their participation, provided all exports of such small scale authorised loom owners, who are members of the Associations/Societies are canalised through the Associations/Societies and no exports are made through any other channel. The authorised loom-owners will also be required to give in writing their agreement to such a scheme.

K. T. SATARAWALA, Chief Controller  
of Imports and Exports
